

The 11th ASAE International Conference

Instructions for presentation submission

This conference uses the Confit platform for the submission of presentation abstracts and papers. Below are the instructions for submission.

1. Registration of presenter

Register presenter information. You need to register your login ID and password for the first time

2. Submission of abstract

Submit an abstract of your presentation. The required information and files include: affiliation and email address for all authors, title of presentation, 3-5 keywords, PDF of abstract (use our template), type of presentation (selected presentation or symposium), and area of presentation.

3. Completion notification

A notification will be sent to your registered e-mail address.

4. Decision notification

You will be notified of the results of acceptance or rejection by late December. If your paper is accepted, please log in to the submission page again and submit your full-length paper. At the time of submission, you can choose whether or not you wish to have your paper included in Conference Proceedings.

5. Registration

Presenters are required to register for the conference. Please log in again to the registration page in late December.
